Beloit High School

Beloit, Kansas

presents

The Trojan

To Beloit High Students:
 The philosophy of education
 should include the personal
 development of each student
 to his maximum abilities
 in our world of scientific
 exactness, there is no substitute
 for good workmanship. We find
 in our extra curricular activities
 such as sports, music, playactor,
 that it requires persistent
 application to become a winner.

A Hougland in basketball
 cannot be attained unless all
 out effort is used. Students of
 Beloit High School should make
 the most of their opportunities
 while in school. I wish you success.
 Signed: John S. Morrell.

Long Partnership For Administrators

By Richard Bliss

E. M. Chestnut, principal of Beloit high school, (upper right) and Superintendent John S. Morrell (upper left) have been working side by side at B. H. S. for 22 years.

Mr. Morrell has been in school work for 31 years. He taught a rural school two years, taught four years in Beloit high school, was principal of Beloit high for three years, and has been superintendent of the Beloit city schools for the past 22 years. He was graduated from B. H. S. in 1915 and received his B. S. degree from the University of Missouri in 1923.

Mr. Chestnut came to B. H. S. as principal in 1930. He received a B. S. degree in economics from the University of Kansas in 1921 and in 1929 he received a M. S. degree in history from Kansas State.

Mr. Chestnut serves as a director in school affairs. He encourages pep assemblies, promotes class activities, and takes an interest in every student. He is manager of the Beloit Relays, one of the largest track and field meets in the state.

BEVERLY LARKINS, Clerk

April 1952
 To the students of Beloit High:
 It is my hope that your experiences in high school will prove of great value to you --- that it will help you to become an intelligent citizen, a bigger personality and a person whose opinions will be sought. --- It is a great satisfaction for me to see former students become active community citizens in businesses, in civic clubs, in church activities & establish pleasant homes. I am proud to have had a small part in the development of the Community's leadership and life. It is my hope that my counsel, my advice and my work may be realized in this way.
 Sincerely, E. M. Chestnut, Jr.
 Principal.

Community Interests Represented By Board

By Richard Bliss

The Beloit Board of Education makes the rules and regulations by which the school is run. The Board hires and dismisses teachers and provides equipment for the successful operation of the school.

The occupations of the members of the Board of Education offers a wide range of variety.

The Board of Education, seated left to right — Wilbur Kent, farmer; R. D. Chapman, vice-president, business; Ben Barber, salesman; Clyde Lampert, treasurer, banker; Glen Parrish, president, real estate; Martha Yager, clerk; Harold Briney, farmer; Maurice McDonald, mortuary.

News, Notes, And Snaps

A basketball trophy of achievement was presented to Beloit high school graduate Bill Hougland in recognition of his work with the 1951-52 basketball squad of the University of Kansas. He will be one of the members of the basketball team representing United States at the Olympic games this summer.

The Beloit chapter of the F. F. A. placed in the Gold Emblem Award group in the better chapter contest of the State Organization of the Future Farmers of America contest. This honor was won for the eleventh straight year, according to Prin. E. M. Chestnut.

Representatives to Boys' State at Wichita this summer will be Arden Treaster and Frank Mastin, both of the class of '53.

Nadine Black, class of '53, will be the representative to Girls' State this summer. The annual affair will be held in Lawrence at the University of Kansas.

The students who placed academically in the upper eight per cent of the senior class of 1952 were the following: Janet Boettcher, Beverly Churchill, Harrell Guard, and Neal McKee. All of these people were active in school organizations in addition to completing their regular class assignments.

Four boys received special recognition for their work in the Beloit F. F. A. chapter.

Neal McKee and Arden Treaster were awarded state farmer degrees.

George Betz received the Carl Raymond Gray scholarship which will entitle him to four years of education at an agricultural college.

Harrell Guard was elected vice-president of the state organization of the Future Farmers of America.

Connie Maag received a scholarship which will enable her to attend Washburn University in Topeka. She intends to enroll there next fall.

Don Widrig uncorked the best broadjump of the year throughout the state to set a new Class A record of 22 feet, five inches.

Beloit High School Students Who Sacrificed
Their Lives During That War

May 30, Memorial Day, 1952

Beloit High School Grounds

*This Memorial is a Gift of the Graduating
Class of Beloit High School, 1943 to 1952*

Irene Tinkler, typing instructor; Clara Bollman, bookkeeping instructor; E. M. Chestnut, B. H. S. principal; and John S. Morrell, superintendent of schools; have worked under the same roof at their present jobs for the past 22 years. During the years that these teachers have served, they have seen 1,365 students graduate from the Halls of Troy. An average of slightly over 62 students per year, the number includes many of the sons and daughters of their earlier pupils.

Jack Abercrombie attended the National Hi-Y Congress in Minneapolis during the summer of 1951.

Arden Treaster will attend the Beloit District Hi-Y conference at Courtland, September 26, as District Congressman. He will be accompanied by Sponsor J. Boyd Finney, who will serve as District Councilman.

During the past ten years the B. H. S. band and orchestra have won nine ratings of I (highly superior) and one rating of II (superior) at the district music contests, according to Eugene Tice, director.

The Class of '52 was the seventieth class to graduate from Beloit High School. The first class was graduated in 1883 from the old Beloit High School and consisted of two students: Mabel Brown and Emma Long. Commencement exercises have been held at the Municipal Building since 1940. Since the change capacity crowds for each event show the necessity for the change.

Juniors Ready To Take Over

by Ronald Moore

The class of 1953 had an enrollment of 62, and chose as their leader Nadine Black. Other officers of the junior class were Bobby Jones, vice-president; Kathleen Studer, secretary; and Pat Fobes, treasurer.

During the freshman year the class of 1953 enrolled 65 members in B. H. S. who were lead by Franklin Mastin. As sophomores they chose Russell Bradley as their leader.

The first of two outstanding junior happenings this year

was the play "The Little Dog Laughed". The juniors gave a stimulating performance which was a credit to the class.

The second event of the year was an event long to be remembered by the juniors and seniors who attended, the junior-senior banquet.

The juniors with their past record of good work are expected to gain even more credit in their final year at B. H. S.

Sophomores Have Faster Tempo

by Phyllis Bartleson

While the boys competed for positions on the high school teams the girls operated the clothing check stand at the basketball games. Members of the sophomore class also took part in F. F. A., Pep Club, Y-Teens, and Hi-Y.

The class was under the leadership of Joyce Slaven with Larry Hewitt as vice-president, Vonda VanPelt as secretary,

and Curtis Norris as treasurer. The class of 28 girls and 36 boys had their annual picnics and parties in the spring.

The class was under the direction of Miss Phyllis Struble, Frank Carpenter, Robert Dick, Miss Helen Gillmore and Forrest Smith.

Freshman Enrollment Is Small

by Judy Spurgin

With an enrollment of 35 boys and 31 girls the freshman class needed eight students to fill the space left by the seniors of '51. They chose Jim Grecian as president; Ronald Tonne, vice-president; and Janice Cheatham as secretary-treasurer.

Although most of the year was spent in getting adjusted to high school life, they took part in many activities. The class started their year by entering in the homecoming

parade a float, which won third prize. They took active part in Hi-Y, Y-Teens, Pep Club, F. F. A., and music groups. Joann Eller and Carol Pottberg were the freshman cheerleaders.

The freshman sponsors were Mrs. Dorothy Lampert, Robert Harrison, Ed. Miller and Miss Phyllis Struble.

Eighth Grade Activities Many

by Helen Young

Karen Allphin

With one year of experience to guide them, the 55 members of the eighth grade led out the junior high school activities.

The 23 boys participated in a well rounded-out sports program which included football, basketball, track and tennis. They joined forces with the girls in conducting the junior high senate, their governing body, and their school paper, the Jr. Hi-Lights.

The 32 girls have been busy with their activities in the junior high Y-Teens and the boys have taken part in the junior high Hi-Y programs.

Seventh Grade Has Active Year

by Mary Gaskill

On September 3, 1951, 49 nervous, but happy students reported to seventh grade classes. The seventh grade girls joined junior high Y-Teens and some girls held offices in the club. The club had several projects during the year such as selling magazines and assisting in collecting candy bars for people of Europe.

The boys became members of the junior high Hi-Y which was organized last year. Seventh grade boys were eligible for football, basketball, and track. In the junior high senate, both boys and girls of the seventh grade were represented. Some seventh graders helped edit the junior high paper, Jr. Hi-Lights.

Important Changes Made By Council

By Helen Young

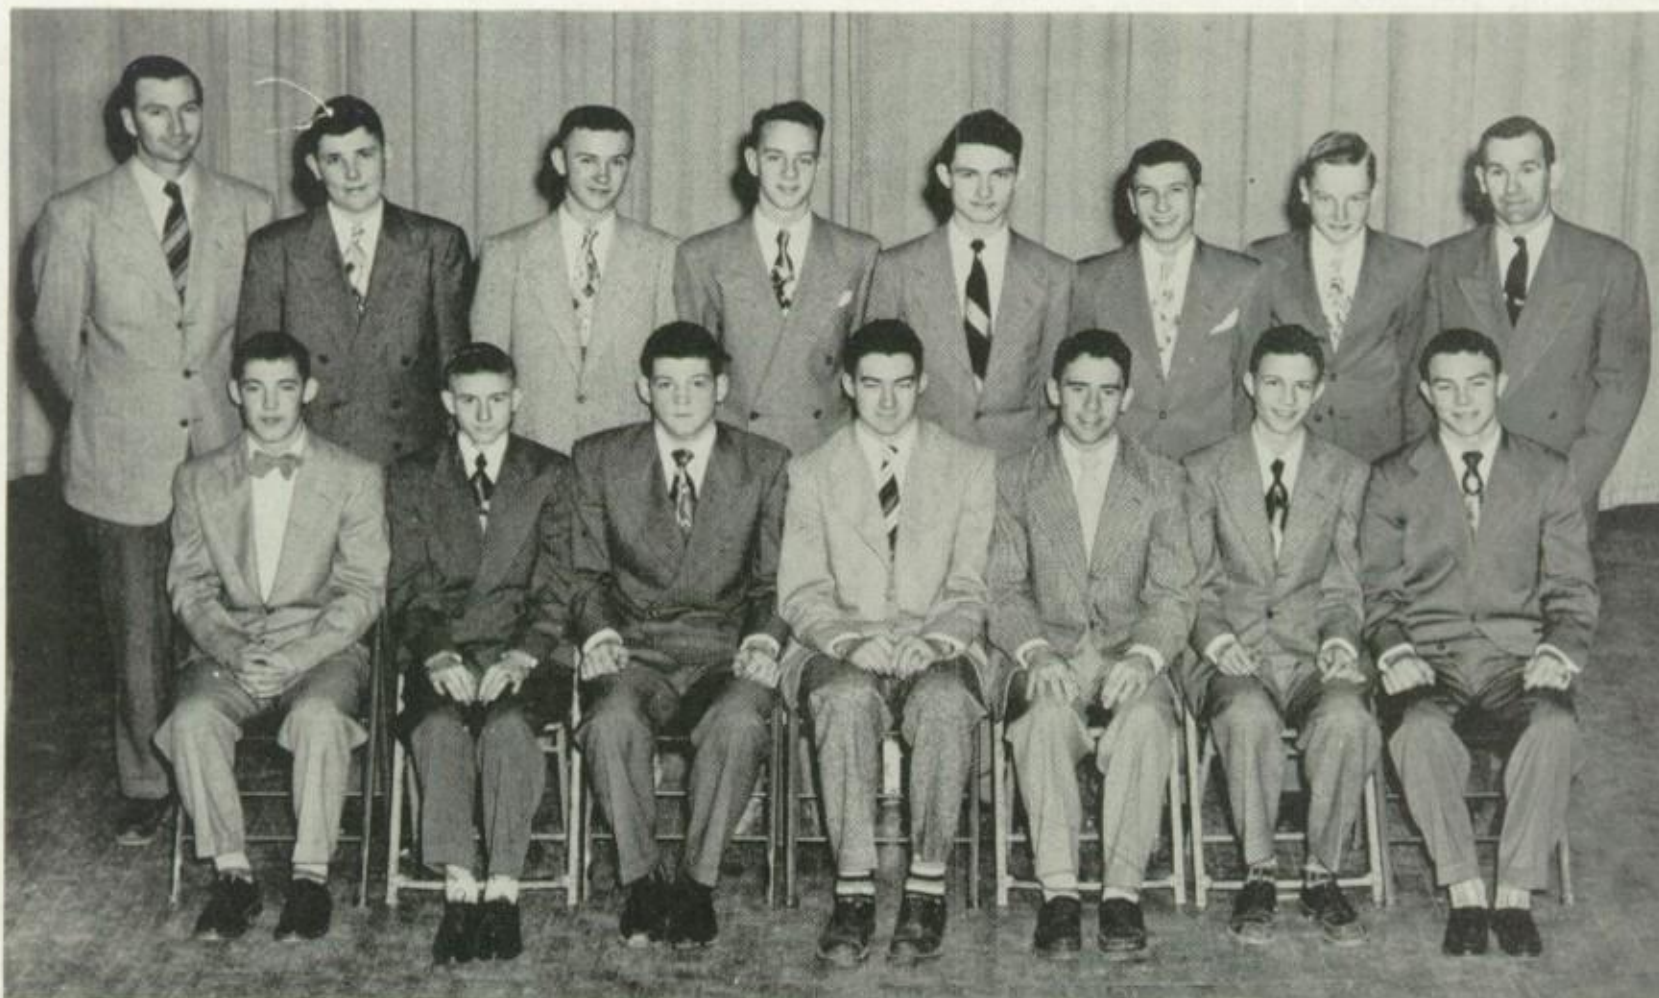

The student council helped the Pep club to establish a new policy this year at the after-school dances. They restricted these dances to students and their invited guests instead of the previous plan of admitting all students and alumni. The council also collaborated with the Pep club in the general supervision of queen elections and programs.

With its thirty members the council has rounded out a busy year. Each class, home room and organization in the school elected a representative for the council. These students, with the aid of the sponsors, help decide parts of the school policy.

The organization sponsored lyceum programs, sold pencils, and cushions, and awarded scholarship letters and pins this year.

Several members of the council attended a conference at Concordia, October 11. On February 6, the council was in charge of an all-school party.

Officers this year were Don Widrig, president; Keith Shamburg, vice-president; Joyce Jones, secretary; and Barbara Kethcart, treasurer. Phyllis Struble, Robert Harrison, J. Boyd Finney, and Prin. E. M. Chestnut sponsored the council.

Hi-Y Continues With Industrious Program

By Ronnie Moore

The Beloit Hi-Y club of 1951 and 1952, with 120 members, had a full and industrious program during the school year.

The popcorn machine that the club purchased last year has made a good profit. It is one of the main sources of income for the club and it also aids other high school organizations.

The five delegates who went to the Model Legislature at Topeka were Jack Abercrombie, George Betz, Harrell Guard, Franklin Mastin, and Don Zimmerman. Arden Treaster went as an official observer.

The Reverend LeRoy Bott and the Singing Parsons had charge of the Thanksgiving program which was a joint meeting of the Hi-Y and Y-Teens.

Arden Treaster was elected district congressman from the Beloit district at an officer training program conference held in Courtland. The sectional Hi-Y conference was held in Clay Center.

Contributions from the club were given to CARE, Camp Wood, March of Dimes, Red Cross, and Hospital drive.

The financial report of the club comes from contributions from the local businessmen and Y.M.C.A. members, dues from the members, and the different projects carried on by the club.

As last year Clyde Hartford was here. Clyde counseled boys in both the junior and senior Hi-Y. He was with the group three days.

The annual watermelon feed was held at the first of the year to welcome in the freshmen and new members of Hi-Y.

The pre-legislative conference, for the Youth and Government program, was held at Hays.

Principal speakers for the club during the year were Tweed Ross who discussed the purpose of the Chamber of Commerce and the Reverend LeRoy Bott who talked on the Lenten season.

Each meeting has had a good program and is opened with devotions.

The club put fifty dollars in the Federal Savings and Loan Association for the use of future clubs.

Jack Abercrombie, president of the club, went to Cleveland, Ohio during the summer to attend a National Hi-Y congress held every three years. This year it was held in connection with THE Y.M.C.A. Centennial anniversary celebration.

Each cabinet member headed a committee to make bills for the Youth and Government program.

The two Hi-Y sponsors are J. Boyd Finney and Ed Miller.

Y-Teen Club In Community Service

By Mary Gaskill

The Y-Teens, sponsored by Helen Gillmore and Mary Hughes, had a membership of 120 for the school year of 1951-52. The officers were Beverly Churchill, president; Roberta Minges, vice-president; Pat Chance, secretary, and Jane Dunham, treasurer.

Among the activities which the club engaged in during the year were the big-little sister picnic, heart-sisters for Valentines, the mother-daughter banquet, the father-daughter get-together, and several joint meetings with the local Y. W. C. A. and junior high Y-Teens.

During the Christmas season each committee took over some project that would be a service to the community. The Y-Teens earned money by assisting in operation of the concession stands at football and basketball games.

The Y-Teens entered a float in the homecoming parade.

The club sent several representatives to the Y. W. C. A.-Y-Teen district conference which was held at Concordia.

Trojanettes Have Varied Program

by Phyllis Bartleson

The Trojanettes, the B. H. S. pep club, had its second year of bad luck in carrying out plans for the 1951-1952 football homecoming. This year bad weather prevailed, preventing the pep club and band from marching. The queen was formally presented but the rest of the ceremony was eliminated. In 1951 the game with Belleville was cancelled.

The pep club helped carry out basketball homecoming ceremonies. The pep club formed two lines through which the queen and her attendants and their escorts came through. The club sponsored the homecoming dance.

Through the school year the pep club cheered their teams to victories under the leadership of Phyllis Bartleson, head cheerleader; Donna Humfeld, Verlee Watson, Dorinda Mears, and Mary Lou Holloway.

The pep club selected as their president Dorothy Abercrombie, Marilyn Holloway as vice-president, and Marletta Jorgensen as secretary-treasurer.

The pep club executive committee consisted of JoAnn Ackors, Margaret Donker, Louise McDill, Louise Cooper, Dorothy Henderson, Betty Treaster, Carolyn Guard, and Dee Ann Allphin.

The Band And Orchestra Are Active

Merely listing the engagements of the band and orchestra shows how active they have been during the past year. The band and orchestra chose for their officers for '51-'52 Wilbur Kent, president; Joyce Slaven, secretary; and Robert Shurtz, treasurer.

Many activities of the band and orchestra support the activities of other school and city organizations. Activities in which the band participated in are the Michell County Fair, Topeka State Fair, band day at Manhattan, game at Kansas Wesleyan, band concert with Concordia, Co-Op Day, Farm Home Week, scout jamboree, unveiling of windows at Christmas time.

Hallowe'en parade, music festival at Concordia, and Bill Hougland day.

Jo Ann Ackors, Connie Knarr, and Lila Mae Farr served as drum majorettes. Cynthia Ross and Donna Gaskill were the other two twirlers.

The orchestra played for the Messiah, junior and senior plays, spring concert, and commencement.

The band and orchestra furnishes the student a good way of expressing himself through music. He also realizes he has a lot to accomplish with his time.

Mr. Tice, director, spends his time directing the band and orchestra, and giving private lessons.

Mixed Chorus Rates High In Contests

By Ronnie Moore

The mixed chorus, under the direction of Miss Elsie Gaston, has had a full and industrious year. The chorus provided entertainment for the school and public, as well as a lot of fun and vocal training for the members.

The first big event of the year was the choral clinic at Concordia November 19, where the chorus sang with five other schools under the direction of Professor A. D. Schmutz, vocal director at Emporia State Teachers College.

The chorus spent another day away from home at the district contest held in Concordia, April 14. The mixed chorus, girls' glee club, freshman ensemble, octet, and madrigal singers all received ratings of I which entitled them to go to Hays to the state festival. At Hays the groups were rated as follows: octet I,

freshman ensemble 1, and madrigal singers II.

At the Messiah, April 9, the chorus was accompanied by the orchestra.

The spring concert held May 9 closed the year's activities.

The girls' glee club appeared in the spring concert as well as the district contest in Concordia.

The madrigal group sang at the athletic banquet, spring concert, and district contest.

Girls' double sextet sang at the Christian Church, H. D. U. banquet, Concordia contest, and Hays contest.

The octet sang at the contest at Concordia and Hays.

Miss Gaston said the group did a great deal of difficult work and she felt that the program during the year was good.

A cast of nineteen juniors under the direction of Miss Alma Morrison, assisted by Mrs. Clyde Lampert, presented "The Little Dog Laughed" December 4 and 5.

Laurie Huntington, a college sophomore majoring in psychology, returns home for the summer vacation. Soon after arriving she tries to use her psychology on her younger brother, Wally. Wally is infatuated with his father's chief competitor's daughter, Joan Wood. Joan and Wally arrange a blind date for Laurie with Joan's cousin, Mark Bradford.

By this time the family is tired of Laurie practicing psychology on everyone with whom she comes in contact. They decide to use a little of it on her. As a result Mr. Wood and Mr. Huntington go into business together to the satisfaction of everyone.

"Skidding" Was Fun

Editor's Note—Janet was asked to write this article from the viewpoint of the "insider" in order that the reader could see a play from behind the scenes. The Trojan is grateful to its guest writer for preparing this description.

Acting has always looked like so much fun. I have always wanted to try it. When our senior class recently presented a three-act comedy, *Skidding*, by Aurania Rauverol, I was delighted to be given a part.

At first opening night seemed months away, but four weeks of rehearsal soon vanished! During rehearsals other members of our class gathered the props, searched for period furniture, and built the stage setting. Mrs. Clyde Lampert, our assistant director, was in charge of the properties group.

Skidding is an entertaining story with delightful characters. The story centers about the Hardy family, who lives in a certain town in Idaho. Judge Hardy (Jack Abercrombie), the main-stay of the family, hopes to be re-nominated to run for the district court of Idaho. His wife, Emily (Justine Wickham), is a good wife and mother, but she has a very difficult time understanding politics.

Marion Hardy (yours truly) has spent six years studying political science, and when she makes a speech to help her father and is asked to run for the state legislature herself, she and her fiancé, Wayne Trenton III (Don Weaver), have an argument and break their engagement. Mother leaves home when her two married daughters, Myra and Estelle (Connie Knarr and Pat Chance), leave their husbands and come home because they are not happy.

Aunt Milly (Beverly Churchill), faces life as an old maid, but decides fate will not plan her life. Andy (George Betz) provides some of the plentiful humor in the play. Wilbur Kent played and looked the part of Grandma, who brings a bit of philosophy to Marion. Don Widrig portrayed Mr. Stubbins, the Judge's campaign manager.

The Judge is nominated to the Supreme Court when the party machinery collapses. Mother comes home after Myra and Estelle find that home has changed for them since they have been married. Marion and Wayne find that only together can they work out their problems.

The four weeks of rehearsal saw the play develop from awkward movements and unrehearsed lines to a more polished performance. We of the cast, with the patience and very capable guidance of Director Alma Morrison, had made our play what it was.

Opening night! No one completely calm! What will happen on stage? Will everyone remember his lines? Will I trip and fall?

The curtain went up! No one forgot his lines; no one fell; the play was on!—The play was over.

Presenting our play was a lot of fun. We were sorry when it was over. I, for one, will never forget it.

Football Queen

Betty Thiessen was elected by the student body to reign as the 1951-52 football queen. Betty has taken part in the Y-Teens, pep club and band. She was treasurer of the junior class and has served on the student council.

Basketball Queen

Connie Maag was chosen as basketball queen for the 1951-52 season. She is co-editor of the yearbook. Connie has been vice-president of the Y-Teens, secretary of the sophomore class and treasurer of the senior class. She has been active in band and orchestra.

Spring Sports Queen

The honor of being spring sports queen was given to Virginia Kelley for the 1952 season. Virginia took part in the band and orchestra her four years of high school. She has been an active member of Y-Teens and pep club.

Phyllis Bartleson was cheerleader all four years of high school being head cheerleader her senior year. Phyllis was chosen F. F. A. farmerette and has served on the student council. She has been active in the Y-Teens and pep club.

Football

Beverly Churchill was president of the Y-Teens this year. Beverly served on the Y-Teen cabinet for three years. Pep club, band and orchestra are some of the things she has participated in. She was in the junior and senior plays.

Barbara Chartier attendant to the queen has been active in band her four years of high school. She took part in the production of the play. She has served on the student council and has participated in Y-Teens and pep club.

Basketball

Connie Knarr attendant to the queen has been a twirler all four years of high school being one of the drum major-ettes her senior year. Connie took part in the senior play. She has served in pep club and Y-Teens.

Justine Wickham took part in both plays and was outstanding in speech activities. She was an active member of the Y-Teens and pep club. She was a member of the band.

Spring Sports

Marilyn Gaddis has served on the student council. She took an active part in the Y-Teens, pep club and chorus. She participated in the one act plays.

Trojans Share Third Place In League

By Don Weaver

Using a split-T formation this year, the Beloit Trojans won three, lost five, and tied one during the 1951 football season. Beloit shared third-place with Lincoln in the North Central Kansas League by posting two wins, two defeats, and one tie.

Jack Abercrombie, George Betz, Richard Bliss, Bill Borgen, Junior Clark, Darrell Conley, Harrell Guard, Robert Householter, Gerald James, John Jones, Bob Snyder, Tom Wesselowski, and Don Widrig are the thirteen seniors who have graduated.

Clay Center 21, Beloit 19

After going in front of the Trojans 14-0 at the end of the first quarter the Trojans came back to within two points of the Tigers late in the last quarter. Don Widrig made two touchdown runs during the game. One of 75 yards and the other was an 85 yard jaunt. Beloit's other touchdown was made by Tom Wesselowski when he carried the ball 90 yards on a recovered fumble.

Minneapolis 18, Beloit 6

The score was tied at 6-6 at half-time, but the Lions scored twice in the last half to win. Beloit's only touchdown came on a 25 yard pass from Frank Mastin to Junior Clark in the second period.

Beloit 34, Belleville 0

The Trojans sloughed through a sea of mud at Belleville scoring 14 points in the first period, and the Trojans scored one touchdown in each of the remaining periods. Frank Mastin, Bob Snyder, Loren Brown, Junior Clark, and Max Miller all scored for the Trojans.

Osborne 32, Beloit 7

After trailing 26-0 at half-time the Trojans came back in the second half to score seven points to Osborne's six, but the first half ruined the Trojan cause. Jerry McGhay

made Beloit's only touchdown.

Marysville 12, Beloit 7

The Trojans led at half-time 7-6, but a 49-yard pass play in the third period defeated Beloit. Junior Clark scored Beloit's only touchdown coming in the first period.

Beloit 40, Concordia 0

Beloit had an easy victory over the Panthers with four Trojans scoring. They were Bob Snyder with three touchdowns, Junior Clark, Don Widrig, Delmar Briney each scoring once for the Trojans.

Ellsworth 39, Beloit 14

The Bearcats outclassed the Trojans as they scored 26 points in the first half and 13 in the last. Beloit scored seven points in each half. Bob Snyder scored both the Trojan touchdowns.

Beloit 20, Smith Center 0

The Trojans controlled the ball most of the game to earn a non-league victory over the Redmen. Junior Clark, Jerry McGhay, and Frank Mastin each made a touchdown for the Trojan cause.

Beloit 20, Lincoln 20

The game was probably the Trojan's toughest game of the season. The score at half-time was Lincoln 13, Beloit 7, but the last half Beloit scored 13 points to Lincoln's seven to give Beloit a tie game. Don Widrig scored two of the Trojan's touchdowns, and Bob Snyder, the other.

We would not want to minimize the effectiveness of linemen Gerald James, Dan Moss, Jerry McGhay, Darrell Conley, Tom Wesselowski, Jack Abercrombie, and Harrell Guard.

The Trojans under the direction of Coach Bob Dick posted a 14-won and 9-lost record for the 1951-52 basketball season. They tied for second place in the league with Marysville with a 6-win and 4-loss record.

The Trojans lost to the club from Lyons 48-47. That game decided who went to the Class-A state tournament.

Five seniors, Bill Borgen, Gerald James, Don Widrig, J. Clark, and Harrell Guard, ended their high school cage careers this year.

Although, the Trojans had a mid-season slump they came back strong at tournament time to win the sub-regional trophy and to capture the second place trophy in the regional tournament.

Coaches

Robert Harrison, Robert Dick, and Gail Applebee (pictured from left to right) were respectively assistant coach, head coach, and junior high coach.

Mr. Harrison coached golf, tennis, football, and basketball reserve teams. Basketball, track, and reserve football squads were coached by Mr. Dick. Mr. Applebee handled all junior high athletics which include football, basketball, golf, tennis, and track.

Back row, left to right; Coach Dick, V. Shamburg, J. Grecian, R. Householter, D. Smyth, J. McGhay. Front row: L. Harvey, M. Miller, L. Hewitt, K. Shamburg, D. Briney, D. Widrig, R. Bliss, B. Snyder, and J. Clark.

Track

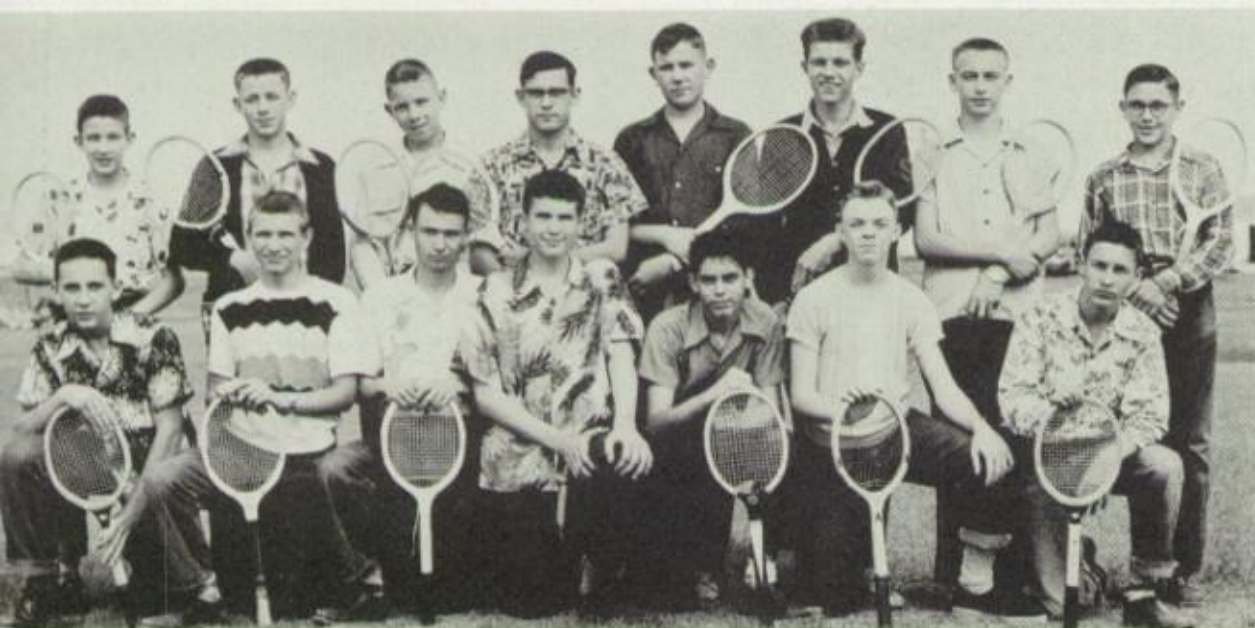

The Beloit thinclads won a total of three track meets this year. They won the twelfth Beloit Relays, the Hays Invitational, and the Hays Regional. In other meets Beloit took second at the K. U. Relays, third at the Chapman Relays, second in the NCKL meet, and second at the Sterling Relays.

In the state meet the Trojans placed in the broad jump, 880 run, javelin, and the 880 relay team to give them a tie for fourth place.

Tom Wesselowski broke the Beloit Relays and Trojan Field record by throwing the shot put 48 feet, 6½ inches. Another thinclad, Don Widrig, broke the state record in the broad jump with a jump of 22' 5". His jump came during the state track meet. Seven graduating seniors will be missed next spring.

1. Dick Bliss, track captain—880.
2. Dan Moss, javelin and high jump.
3. Frank Mastin, 440 and 100.
4. Wesselowski, shot put and discus.
5. Mile Relay team (Don Widrig, Bob Householter, Bob Snyder, and Junior Clark).

Tennis

The Beloit netmen, under the direction of Coach Bob Harrison, tied for third place in the NCKL tennis meet and won matches from Concordia and Jewell. The tennis players lost to Minneapolis. The six boys who went to the NCKL meet were Don Weaver, Alan Gaskill, Curtis Maag, Jim Vestal, Gene Waters and Bill Gaskill... Weaver was the only senior on the team.

Back row, left to right; L. Van Pelt, B. Gaskill, G. Waters, C. Maag, D. Weaver, J. Vestal, A. Gaskill, and R. Tonne. Front row:

H. Donahoo, L. Plymire, J. Williams, S. Muck, P. Gengler, D. McDonald, and R. Grater.

Intramurals

For the third year an intramural program was carried out at BHS. This program included nearly forty boys. At the end of the season the Celtics and the Knickerbockers were in a tie for first place, third place went to the Royals, fourth to the New Yorkers.

Left to right: Captains Neal McKee (Celtics), Tom Wesselowski (Knickerbockers), Earl Engelbert (New Yorkers), and Roy Dale Strawn (Royals).

Back row, left to right; J. Grecian, D. Zimmerman, H. Guard, S. Muck, G. James, B. Brewer, J. Clark.

Front row: V. Shamburg, J. Conn, G. Stephens, D. Fulhage, D. Erzen, J. Linder, and R. Logan.

Golf

The Beloit golf squad, under the able direction of Coach Bob Harrison, won the NCKL meet this year which entitled them to go to the state golf meet. In the state meet the men under Harrison took fourth place in both the two-man and four-man teams.

The boys that took part in the NCKL meet and the state meet were Jim Grecian, Don Zimmerman, Harrell Guard, and Junior Clark. Both Clark and Guard graduated this year.

Officers

Guiding the activities of the F. F. A. were these five officers: Don Smythe, reporter; Danny Moss, treasurer; Arden Treaster, vice-president; Loren Brown, president; and Don Zimmerman, secretary; with Mr. Frank Carpenter as the instructor. Danny Moss was selected a member of the master ritual team at leadership school. Loren Brown, Don Zimmerman, and Arden Treaster were members of the state agriculture judging team. Arden Treaster was elected state farmer.

Of Special Mention

Was the work of these boys; Back row, left to right; George Betz, who won a Carl Raymond Gray scholarship; and Tom Albert who placed in the silver division of the state farm mechanics contest Front row, left to right: James Kennedy, who placed in the gold division at the state farm mechanics contest; Harrell Guard was elected the state vice-president of F. F. A.; and Neal McKee received the State Farmer degree.

Future Farmers of America

The Future Farmers of America, or more commonly known as the F. F. A., is the national organization of, by, and for boys studying vocational agriculture.

The Beloit chapter is made up of 57 boys this year. The Future Farmers of America is made up of boys in high school or graduates of not more than three years.

The farm mechanics and agricultural teams rated in the gold emblem division at the State F. F. A. judging contest in Manhattan.

In the State Chapter Contest, the Beloit Chapter was placed in the gold emblem classification. This is the highest classification made.

Front Row (left to right): Darrell Fulhage, Norman Creitz, Wayne Huggins, Eddie Dunigan, Larry Van Pelt; Second Row: Bob Johnson, Bill Bean, Bob Stillwell, Junior Kresin, Fred Chapman, Ronald Tonne; Third Row: Instructor Frank Carpenter, Kim Remus,

Dewayne Black; American Farmer

Another American success story was recorded when Dewayne Black, 1950 Beloit High graduate was named American Farmer last fall in Kansas City. Black is the first F. F. A. member from Beloit to win this honor.

Dewayne started out as a freshman in high school with 15 acres of land which his father loaned him. Today he is worth over \$21,000, including \$6,000 in cattle, 80 acres of land, machinery, a car, and other equipment.

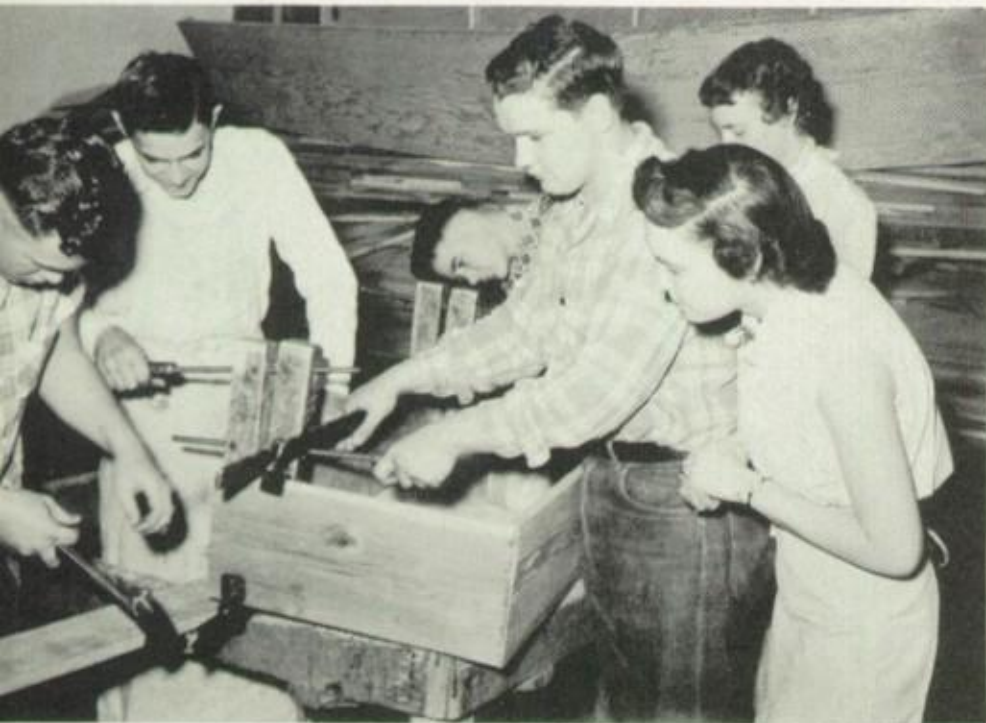

He owns at the present time 80 acres of ground, but farms in addition 40 rented acres for a total of 120 acres. Dewayne lives at home and assists his father on his father's land also.

Dewayne has not expanded as rapidly as he would have in peace time because of the possibility of being drafted into the service. Should it appear that he would not be drafted he will expand in cattle and continue to do diversified farming.

Recent accomplishments include the purchase of a new Oldsmobile, conversion of an abandoned barn to an implement shed, and completion of a watershed in one wheat field.

Black's wheat yield last year was more than twice the county average per acre. He credits extensive soil treatment for the result and believe that his land is much better than when he first began to farm it.

The pictures show some of Dewayne's accomplishments: 1. Dewayne surveys newly seeded waterway. 2. A combine is an expensive piece of equipment. 3. Contented cows indicate proper care. 4. A new car is a necessity for the modern farmer.

Woodworking

Both boys and girls are offered courses in wood-working at Beloit high school. A major course in the industrial arts department, three years of work is offered by Ed Miller.

At the left (left to right), Myron Hackett, Jack Linder, and Roy Strawn adjust clamps on a just-glued project while Mary Gaskill hopes for the best.

Mechanical Drawing

A practical course is offered to boys who enroll for Instructor Ed Miller's course in mechanical drawing. Shown in the pictures at the right and below are three steps in blueprinting arranged in clockwise order.

First, Gerald James and Richard Bliss complete detailed drawings of the project to be blueprinted. Below right, a tracing of the drawing covers the blue-print paper which is being exposed to the sun by Jack Conn as Alvin Maynard times the exposure. As a final step Jack develops the paper in the picture below.

Home Economics

One of the highlights in the year's work in the home economics department comes when the foods class serves a breakfast and luncheon to invited guests during the noon hour. This occasion is one where the guest is invited to criticize the hostess in a special form where comments can be made on the preparation of the food, the suitability of the decorations, food, and accessories, and on the courtesy shown by the hostess. The form is analyzed by Instructor Helen Gilmore, who grades each girl accordingly.

Above right, Mary Hollaway removes a dish from the oven (it is either cold or Mary, without a hotpad, is getting burned) as Janet Jones and Dee Ann Daniels care for other preparations. At the left the food meets the final test as a meal is served to student and faculty friends.

Physical Education

When spring arrives and the weather becomes warm enough that the students can survive without furs, the girls' physical education class moves out of doors to engage in spring sports activities.

Each student is required by the state to complete two years of physical education for graduation credit and tennis is one of the more pleasant activities of the program.

Below is a sophomore foursome in a game of doubles on the Beloit high school court north of the building. At the left Sandra Morissette is caught off the ground but not off guard as she slams a hard return to her opponent.

The girls' physical education program is conducted by Phyllis Struble.

English

One of the most important of the skills taught in the English department is the ability to make one's self understood in oral communication. In an attempt to develop this skill in B. H. S. students, the speech class under the direction of Alma Morrison studies all phases of oral communication.

At the right Jack Abercrombie steals a quick glance at his notes as the rest of the class listen in an effort to pick out Jack's weak points.

A minor in speech and journalism may be obtained by a student who enrolls in both of these courses in addition to the required major in English.

Social Science

At the left the camera catches a model senate session in operation in Mary Hughes' government class. John Williams, left, exchanges comments with Frank Mastin, right, over a bill being debated on the floor while other members of the class await recognition from the chairman so that they can "put in their two cents worth".

Commerce

Irene Tinkler, at the right, supervises Connie Knarr who combines practice with the dictaphone and electric typewriter, two machines which were made available to the commerce classes for the first time this year. Beloit high school offers courses in shorthand and bookkeeping (Clara Bollman, instructor) as well as in typing. A major may be earned in the commerce department.

Mathematics

Deanna Brooks, Dee Ann Alphin, Barbara Kethcart, and Janice Cheatham (left to right) ponder a problem at the board in Robert Harrison's algebra class. The study, as nearly all B. H. S. students know, requires considerable homework as well as board-work and other exercises and explanations in class time.

The course is required for those students who wish to earn either a major or minor in mathematics. It is an essential study for students who intend to go on to college.

Biology

Informality in the laboratory is the keynote as biology students study parts of a leaf previously identified in the textbook.

Facing the camera, left to right, are Jack Henderson, David McDonald, and Justine Wickham; in the foreground Max Miller and Barbara Motes try to find similarities between the text description and the actual leaf.

The biology classes are instructed by Phyllis Struble.

Physics

One of the most shocking pieces of apparatus in the physics laboratory is examined by Harrell Guard, Harvey Donahoo, Richard Bliss, and Bob Snyder (left to right). The device is used to produce static electricity and is capable of emitting huge sparks and definite jolts to the unwary.

Instructor J. Boyd Finney teaches the physics classes for those students who are majoring in science or who need a laboratory course for graduation. Termed a practical course by those who have taken it, the class answers a lot of "whys" for students interested in the world about them.

The Year's Record Is Complete

By Mary Gaskill

The 1951 Trojan received one of eight honorable mentions awarded by Myers and Company of Topeka to Kansas High Schools. While this Trojan may not receive a like award, it is the sincere hope of the staff that the students have found these pages an accurate portrayal of the places, personalities, and pleasant associations of the 1951-1952 school year—the year in which they were responsible for the traditions of Troy.

The journalism staff would like to express its appreciation to the faculty and advisers, Beloit Gazette, Beloit Daily Call and Wichers Studio for their aid and cooperation.

This year eleven journalism students published sixteen issues of the B. H. S. Life in addition to the 1952 Trojan. Advertising was carried in the Life for the first time in a number of years.

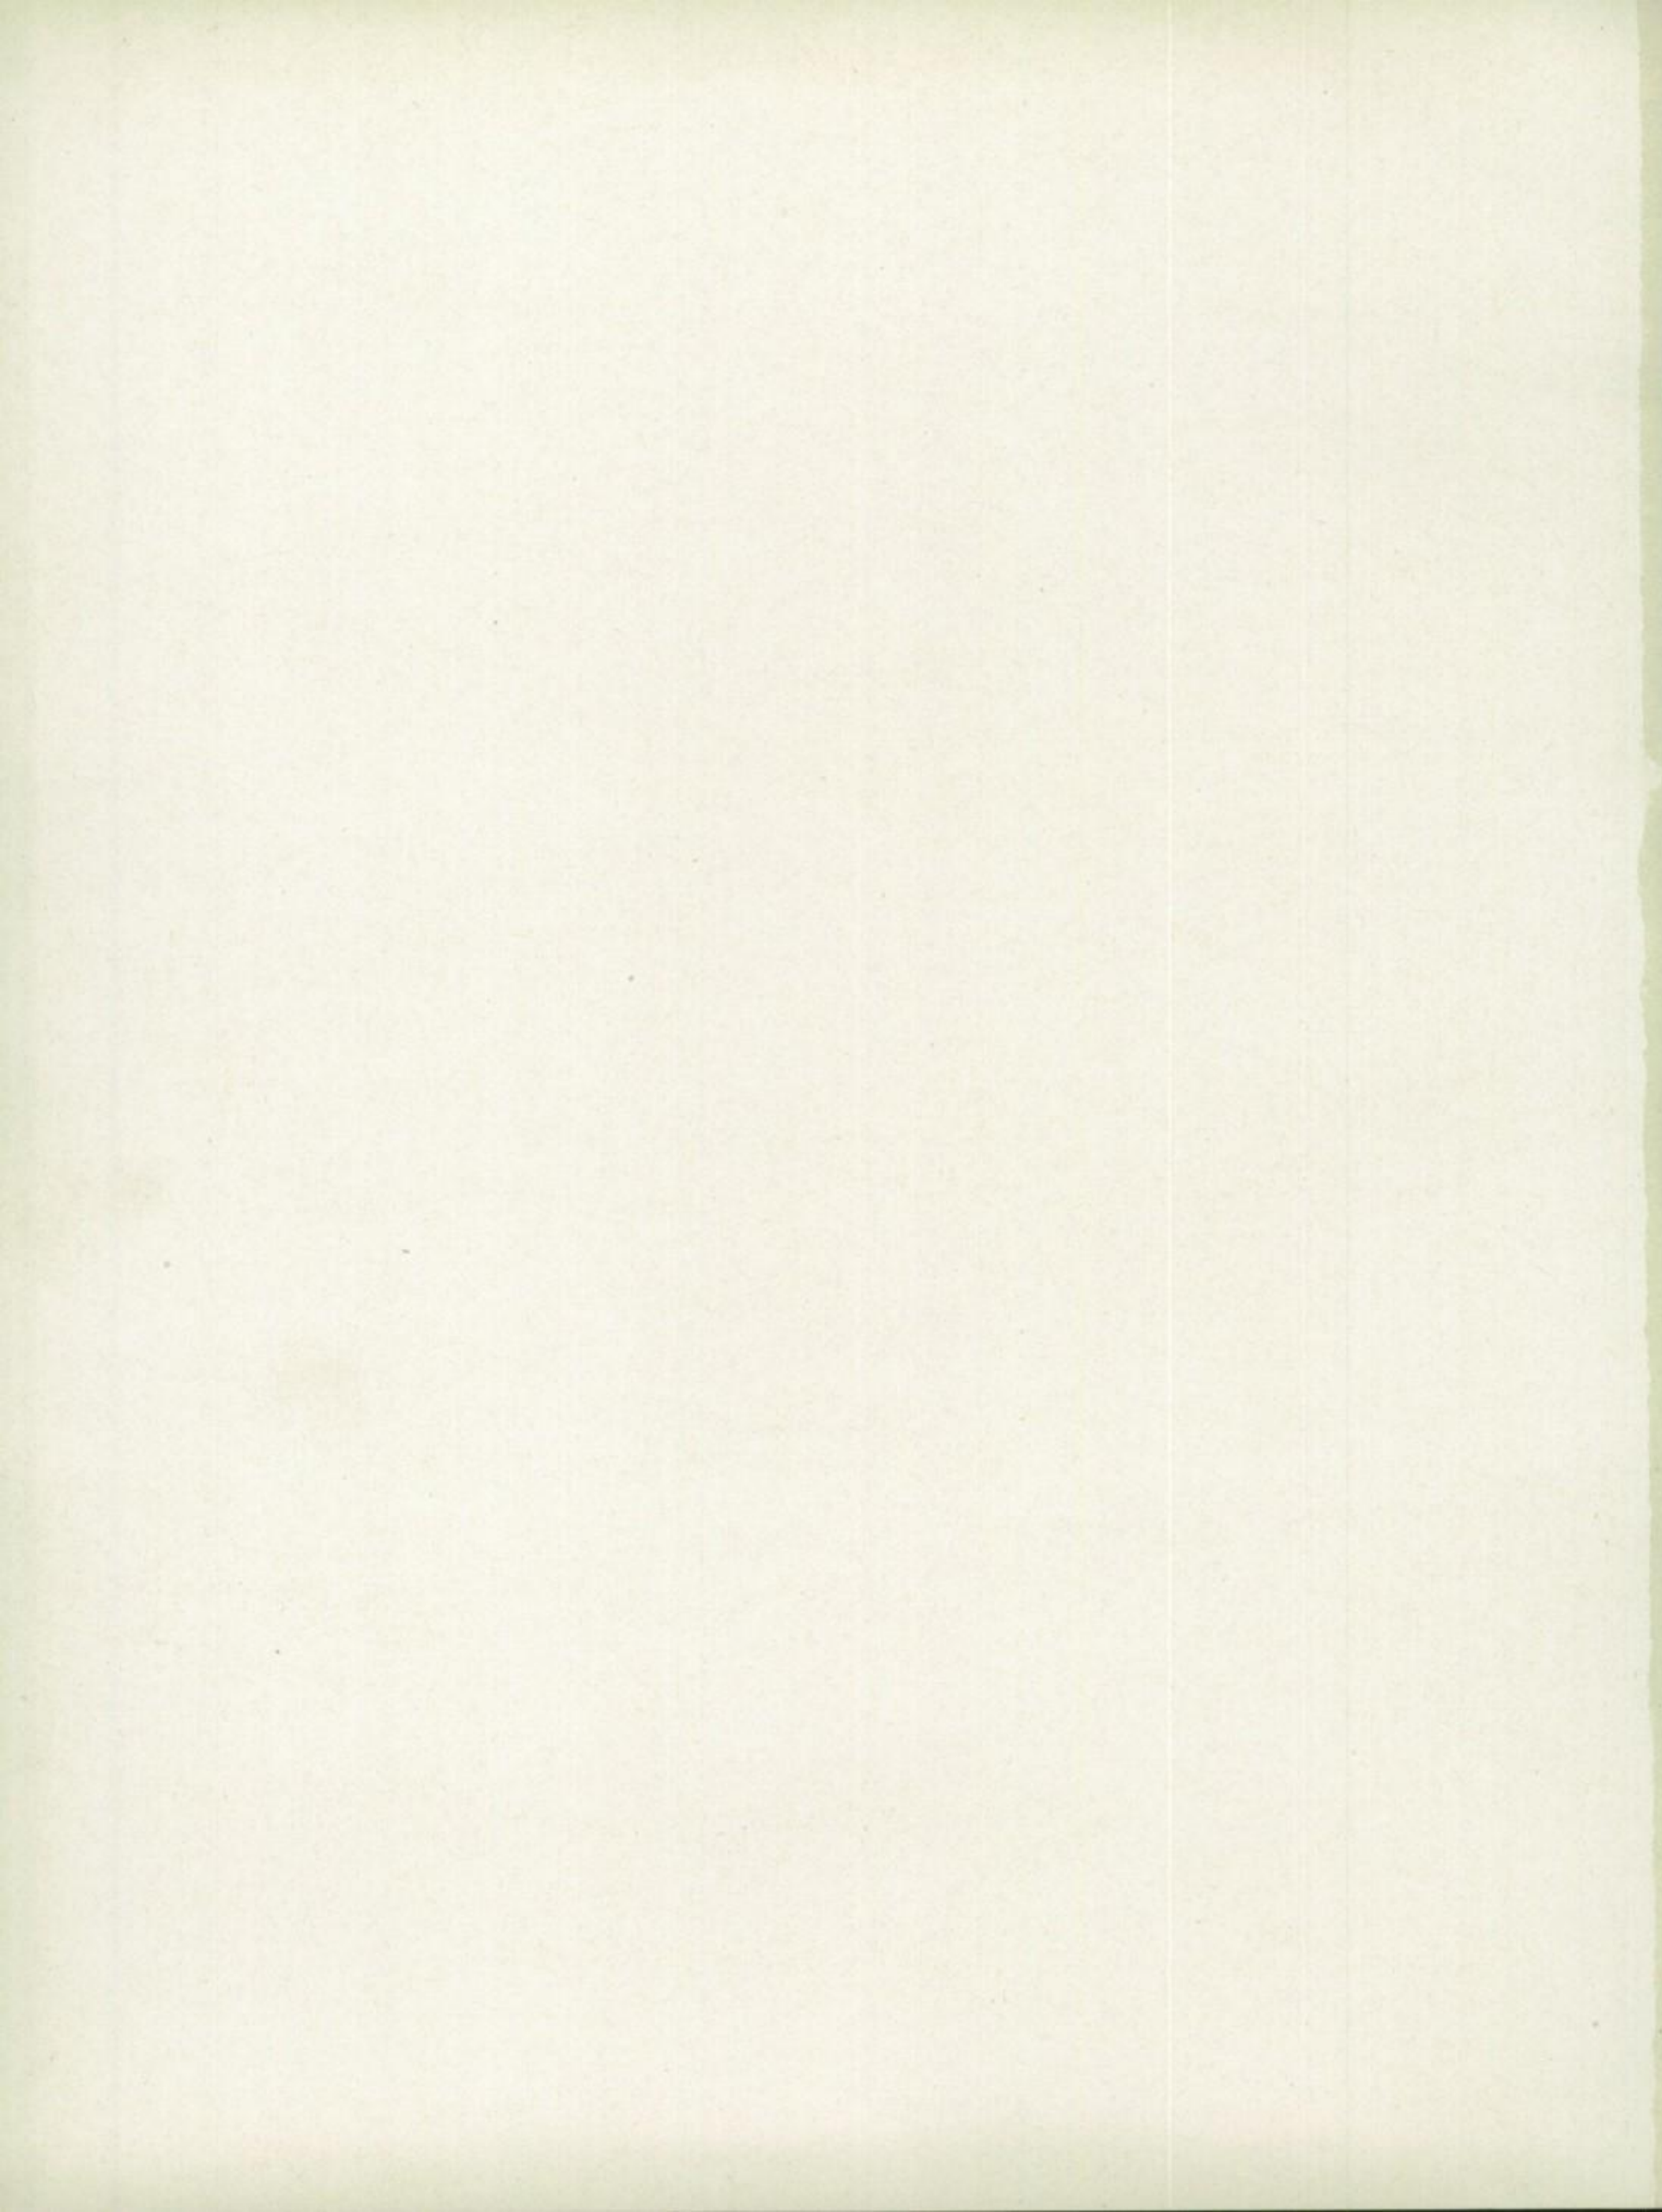

Receiving letter award for outstanding performance were Connie Maag, Robert Householter, and Don Weaver.
